PRODUCT DESCRIPTION

AUXILIARY THEATRE CONTROL PANEL

Product Codes: HU13-03, HU13-02, HU13-01

Area of Use: Operating Theatre

Intended Use: The Hutz Digital Theatre Panel takes the OT-Room to a whole new level of flexibility and digital technological innovation. At Hutz Medical, we recognised the need for Operating Rooms to adapt to a rapidly changing hospital environment and are therefore preparing for a future-proof system.

In line with the Hutz Digital Theatre Control Panel Range, the HU13-03 Auxiliary Panel provides backup services (Medical Gas / Electrical) for Theatre while keeping the aesthetic look of the range.
