

PRODUCT CATEGORY:  
**THEATRE CONTROL PANELS**

PRODUCT NAME:  
**HU13-05**

PRODUCT DESCRIPTION  
**DIGITAL THEATRE CONTROL PANEL**

**Product Codes:** HU13-05, HU13-04, HU13-03, HU13-02, HU13-01

**Area of Use:** Operating Theatre

**Intended Use:** The Hutz Digital Theatre Panel takes the OT-Room to a whole new level of flexibility and digital technological innovation. At Hutz Medical, we recognised the need for Operating Rooms to adapt to a rapidly changing hospital environment and are therefore preparing for a future-proof system.

The systems' custom software and support is provided by ICAN Automation and is the perfect platform to provide centralised co-ordinated access to audio/video technology and control of surgical lamps, cameras and climate control. This software is innovative, flexible and will adapt to your future needs.

Expansion of the system has been incorporated into the design to ensure that the product meets all future needs. Remote access (through internet/hospital network) supports constant monitoring of the system and new applications can be installed (or activated) without a physical presence on site.

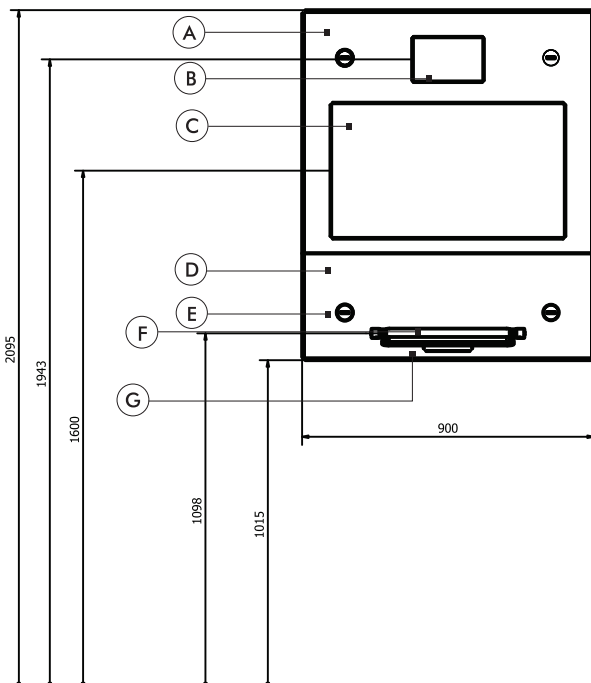

## HU13-05 SPECIFICATIONS

	DEVICE	CONTROL	BUILD
<b>PACS:</b>	PC, i5, Win8	Touch from TP	Standard / Upgradeable to 17/W10
<b>DOR Video Control:</b>	Ican	Ethernet (TCP/IP)	Optional
<b>Lighting:</b>	Surgical	Rs232, Ethernet (TCP/IP)	Standard *Third Party control needed.
	Ambient	Relay - On/Off	Standard
		DALI2 BACnet	Optional Optional
<b>Climate:</b>	Sensing	Temp/Hum sensing	Standard
	Control	BACnet	Optional
<b>Alarms:</b>	Electrical - Standby	I/O - Contact Closure	Standard
	Electrical - LIM	I/O - 0-10V DC Sensing RS232	Standard
	GAS	I/O - 5x Contact Closures	Standard
<b>In-Light Camera:</b>	Surgical Lights	RS232, Ethernet (TCP/IP)	Optional
<b>Room View Camera:</b>	HD, PTZ Camera	Rs232	Optional
<b>Timers:</b>	Ican Timers	Software	Standard
<b>Audio:</b>	Ican Audio Device	Digital Radio 3.5mm Aux Input	Standard
<b>Soil Call:</b>	Ican Soil Coll Device	Software	Standard
<b>Medical Grade Keyboard with track pad:</b>		USB input	Optional

## TECHNICAL DETAILS

ITEM	DESCRIPTION	SPECIFICATIONS
A	FEEDER PANEL	CORIAN
B	CLOCK / TIMER	ICAN
C	TOUCH SCREEN MONITOR	32" ELO
D	SERVICE PANEL	CORIAN
E	DECORATIVE LOCKING SCREW	NATURAL ANODISED ALUMINIUM
F	MEDICAL GRADE KEYBOARD	MAN & MACHINE (INCL. TRACK PAD)
G	KEYBOARD SHELF	ANODISED ALUMINIUM - TILT 10° DOWN 90° UP
